2024 Green River WY Sports Festival Sponsor Guide

After the phenomenal success of the inaugural Green River Sports Festival, the team has come together again to bring our community a day filled with fun and competition. The 2024 Green River Sports Festival will take place on Saturday, July 20th, and will host a USAPL Sanctioned Powerlifting meet, a Strongman competition, and a 5k/10k race. A health and wellness-inspired vendor fair, beer gardens, and food trucks will make this another unforgettable day of friendship, competition, and a showcase for all the hard work.

With your generous sponsorship, we can help feed our volunteers, keep a sanitary event, provide lodging for our staff, and provide a more robust and enjoyable event for the competitors and your friends and family in attendance.

When you sponsor our event you will receive many great benefits! Including mentions in radio and social media ads, logo placement at the event and on shirts, and beer tickets or event shirts.

Please reference the attached sponsor benefit page to choose the best option. Fill out the agreement and send a copy to chris@haggitbarbell.com to arrange payment.

**Our staff, athletes,
and community
thank you for your
support!!**
