Dismantling – No earlier than 4 pm July 20th.

Be Prepared! We will supply a table and two chairs, anything else you may want for your booth will need to be provided by you. These spots are all outside in the grassy area of the Island; bring shade and bug spray. There are power outlets outside that you are welcome to use. The setup will take place AFTER the start of 5K/10K at 7 am. Try to limit vehicle movement in and out of the Island as we will be setting up the Strongman in the parking lot. **However, vehicle access to the Island will end at 8:30 am.** If you have items you would like to store inside of the Pavilion overnight to make your setup easier in the morning that is fine. We will be at the island all day on the 19th setting up and will lock it overnight.
